Re: Newtech Recycling, Inc.
Initial Class D Recycling Center General Approval
Block 518.06; Lots 1, 2, and 3.01 & Block 521.02; Lot 25
Franklin Township, Somerset County
Facility ID No.: 1113621, Approval No.: CDG250001

Dear Jim Entwistle:

Please be advised that the New Jersey Department of Environmental Protection, Division of Sustainable Waste Management, Bureau of Recycling and Hazardous Waste Management (Bureau) has reached a final determination to issue the Initial Class D Recycling Center General Approval for the above facility (Newtech Recycling). Enclosed is a copy of the final document.

Should Newtech Recycling wish to contest any of the conditions of the enclosed general approval, Newtech Recycling must file a request for an adjudicatory hearing within twenty (20) days of the date of receipt of this decision notice in accordance with the procedures found in N.J.A.C. 7:26A-3.14. A copy of the request must be emailed to recyclingfacilities@dep.nj.gov.

If there are any questions concerning this matter, please contact Nick Nader at (609) 940-5847, or nicholas.nader@dep.nj.gov.

Sincerely,

Diane Gard

Diane Gard, Chief
Bureau of Recycling & Hazardous Waste Management

CLASS D RECYCLING CENTER GENERAL APPROVAL

Under the provisions of N.J.S.A. 13:1E-1 *et seq*. and N.J.S.A. 13:1E-99.11 *et seq*., known as the Solid Waste Management Act and New Jersey Statewide Mandatory Source Separation and Recycling Act, respectively, and pursuant to N.J.A.C. 7:26A-1 *et seq.,* known as the Recycling Regulations, this approval is hereby issued to:

NEWTECH RECYCLING, INC.

Facility Type:	Class D (Universal Waste) Recycling Center
Block & Lot Nos.:	Block 518.06; Lots 1, 2, and 3.01& Block 521.02; Lot 25
Municipality:	Franklin Township
County:	Somerset County
Facility ID No.:	1113621
Approval No.:	CDG250001

This General Approval is subject to compliance with all conditions specified herein and all regulations promulgated by the Department of Environmental Protection (Department).

This General Approval shall not prejudice any claim the State may have to riparian land nor does it allow the registrant to fill or alter, or allow to be filled or altered, in any way, lands that are deemed to be riparian, wetlands, stream encroachment or flood plains, or within the Coastal Area Facility Review Act (CAFRA) zone or are subject to the Pinelands Protection Act of 1979, nor shall it allow the discharge of pollutants to waters of this State without prior acquisition of the necessary grants, permits, or approvals from the Department.

Diane Gard

Issuance Date

Diane Gard, Chief
Bureau of Recycling & Hazardous Waste Management

July 14, 2031
Expiration Date

Scope of Approval

This General Approval (Approval), along with the referenced application documents herein specified, shall constitute the sole approval of Recycling Center operations for the Class D Recyclable Material (consumer electronics) storage and process center operated by **Newtech Recycling, Inc.** located in the Township of Franklin, Somerset County, New Jersey. Any registration, approval or permit previously issued by the Division of Sustainable Waste Management or its predecessor agencies, for the specific activities as described below and as conditioned herein, is hereby superseded.

Regulated Activities at the Facility

Conditions 1 to 41 of this Approval contain general requirements applicable to all recycling centers. Conditions 42 to 76 of this Approval contain operating requirements for recycling centers that receive, store, process, or transfer Class D (Universal Waste) recyclable materials, as well as specific requirements applicable to this recycling center.

Facility Description

The facility is a Class D (Universal Waste) recycling center located at 245 Belmont Drive – Suite 2 on Block 518.06; Lots 1, 2, and 3.01 and Block 521.02; Lot 25 in Franklin Township, Somerset County.

This regional recycling center is authorized to conduct the following operations:

- Receive, store, process, or transfer consumer electronics.
- Receive, store or transfer other types of universal waste including but not limited to batteries and lamps.
- Operate mobile electric shredders to process hard drives onsite and at clients' locations.

Additionally, the recycling center receives and transfers end-of-life solar panels, through a Certificate of Authority to Operate, separately issued to Newtech Recycling by the Department.

The recycling center may receive no more than a combined total of 250 tons per day of universal waste and end-of-life solar panels.

Hours of operations at the recycling center are 8:00 a.m. to 4:00 p.m. Monday through Friday. Additional hours for only processing consumer electronics are 8:00 a.m. to 12:00 p.m. on Saturday.

The recycling center markets demanufactured electronics from the site and is also utilized for finished products and equipment storage as depicted on the Site Plan.

Approved General Approval Application and Associated Documents

The registrant shall construct and operate the facility in accordance with N.J.A.C. 7:26A-1 *et seq*., the conditions of this Approval, and the following documents:

1. Amendment to the Somerset County Solid Waste Management Plan (Plan) to include Newtech Recycling, Inc. as a Class D (Universal Waste) Recycling Facility located at 245 Belmont Drive – Suite 2 on Block 518.06; Lots 1, 2, and 3.01 and Block 521.02; Lot 25 in Franklin Township to receive up to 250 tons per day of consumer electronics, lamps and batteries, and end-of-life solar panels, with the hours of operation for receipt and processing of materials as Monday through Friday 8:00 a.m. to 4:00 p.m., and additional hours of operation for processing only of materials as Saturday 8:00 a.m. to 12:00 p.m., certified by the NJDEP Assistant Commissioner on July 13, 2026.

2. Site Plan dated July 24, 2025, signed and sealed by Frank Farrell, New Jersey registered P.E.

3. Application for Initial Class D (Universal Waste) Recycling Center General Approval dated September 5, 2025, signed by Jim Entwistle, President, Newtech Recycling, Inc.

4. Revised General Information dated October 4, 2025, submitted by Jim Entwistle, President, Newtech Recycling, Inc.

In case of conflict, the provisions of N.J.A.C. 7:26A-1 *et seq.* shall have precedence over the conditions of this Approval, and the conditions of this Approval shall have precedence over plans and specifications listed above.

NEWTECH RECYCLING INC

1113621 CDG250001 Class D Recycling Ctr Universal Wst - Initial Approval
Requirements Report

PI 1113621

1 All persons issued a general approval to operate a recycling center for Class B, Class C and/or Class D recyclable material pursuant to N.J.A.C. 7:26A-1 et seq. shall comply with all conditions of the approval. [N.J.A.C. 7:26A- 3.1(a)]

2 The holder of this general approval shall prominently post and maintain a legible sign, at or near the entrance to the recycling center, indicating that the recycling center is an approved New Jersey Department of Environmental Protection recycling center. The sign shall also indicate the following: Hours of operation of the recycling center; Listing of the source separated materials to be received; The size, weight, or other restrictions regarding materials to be received; The maximum amount of contaminants allowed in each load; Warning that loads will be inspected and will be barred from offloading if the contaminant level is exceeded; and Notice that the person offloading shall certify the amount of material per load, municipality of origin of the material and any other information contained on the Recyclable Material Receipt Form. [N.J.A.C. 7:26A- 3.5(f)]

3 Application for renewal of this general approval shall be submitted at least three months prior to expiration of the current approval and shall comply with all requirements for renewal set forth in N.J.A.C. 7:26A-3.6 et seq. One copy of the application for renewal of the general approval shall be submitted by the applicant to the municipal clerk of the municipality in which the recycling center is located, and to the solid waste or recycling coordinator of the county in which the recycling center is located. [N.J.A.C. 7:26A- 3.6(a)]

4 The applicant for renewal of this general approval shall certify in writing to the Department that there have been no changes in the operations of the recycling center since the issuance of the general approval in order to renew the approval in its existing form. In the event that there have been changes in the operations of the recycling center or where changes are planned, the application for renewal of a general approval shall be accompanied by a written request to modify the general approval in accordance with N.J.A.C. 7:26A-3.10. [N.J.A.C. 7:26A- 3.6(b)]

5 In a case where the holder of this general approval does not comply with N.J.A.C. 7:26A-3.6(a) and (b) and continues to operate without renewal of the general approval, the Department may take enforcement action including the assessment of penalties under N.J.S.A. 13:1E-9; require the holder of this general approval to file an application as a new applicant for a general approval in accordance with N.J.A.C. 7:26A-3.2 and pay the application fee as per N.J.A.C. 7:26A-2; and/or take any other appropriate actions. [N.J.A.C. 7:26A- 3.6(c)]

6 All persons granted a renewal pursuant to N.J.A.C. 7:26A-3.6(d) shall continue to pay the annual fee as specified in N.J.A.C. 7:26A-2. [N.J.A.C. 7:26A- 3.6(h)]

7 The holder of this general approval shall obtain prior approval from the Department for any modification of the general approval. [N.J.A.C. 7:26A- 3.10(a)]

8 Any change affecting the conditions of this general approval requires prior approval of the Department. [N.J.A.C. 7:26A- 3.10(b)1]

9 Any change to the information submitted pursuant to N.J.A.C. 7:26A-3.2(a), 3.4, 3.8, 3.18, 3.19, or 3.20 requires prior approval of the Department, except that changes in end-market information submitted pursuant to N.J.A.C. 7:26A-3.2(a)7 shall not require prior approval of the Department but shall be handled in accordance with N.J.A.C. 7:26A-3.10(f). [N.J.A.C. 7:26A- 3.10(b)2]

10 The holder of this general approval shall notify the Department in writing of the intended modification and shall update the information submitted pursuant to N.J.A.C. 7:26A-3.2(a), 3.4, 3.8, 3.18, 3.19 or 3.20. The holder of this general approval shall also provide written notice to the solid waste or recycling coordinator of the applicable county of any request to modify a general approval. [N.J.A.C. 7:26A- 3.10(c)]

PI 1113621

11 The holder of this general approval shall not institute the modification until it receives written approval from the Department. [N.J.A.C. 7:26A- 3.10(e)]

12 Within one (1) week of any change to the end-market information for products and by-products submitted to the Department pursuant to N.J.A.C. 7:26A-3.2(a)7, the holder of this general approval shall submit to the Department a written notification which details any change in the use of the recycled product and by-product transferred from the recycling center to an end-market or in the end-market location to which the recyclable material is transferred. The written notification shall be sent to: New Jersey Department of Environmental Protection, Division of Sustainable Waste Management, Bureau of Recycling & Hazardous Waste Management, 401 E. State St., P.O. Box 420, Mail Code 401-02C, Trenton, New Jersey 08625-0420. Such notification may be sent electronically to the Bureau's email inbox: recyclingfacilities@dep.nj.gov. [N.J.A.C. 7:26A- 3.10(f)]

13 The Department may revoke this general approval upon a determination that the holder of the general approval has violated any provision of N.J.S.A. 13:1E-1 et seq., the New Jersey Statewide Mandatory Source Separation and Recycling Act, or any rule, regulation or administrative order promulgated pursuant to N.J.S.A. 13:1E-1 et seq. and the New Jersey Statewide Mandatory Source Separation and Recycling Act. [N.J.A.C. 7:26A- 3.13(a) 1]

14 The Department may revoke this general approval upon a determination that the holder of the general approval has violated any solid waste utility law at N.J.S.A. 48:2-1 et seq. or 48:13A-1 et seq., or any rule, regulation or administrative order promulgated pursuant to N.J.S.A. 48:2-1 et seq. or 48:13A-1 et seq. [N.J.A.C. 7:26A- 3.13 (a)2]

15 The Department may revoke this general approval upon a determination that the holder of the general approval has violated any provision of any laws related to pollution of the waters, air or land surfaces of the State or of any other State or Federal environmental laws including criminal laws related to environmental protection. [N.J.A.C. 7:26A- 3.13(a)3]

16 The Department may revoke this general approval upon a determination that the holder of the general approval has refused or failed to comply with any lawful order of the Department. [N.J.A.C. 7:26A- 3.13(a)4]

17 The Department may revoke this general approval upon a determination that the holder of the general approval has failed to comply with any of the conditions of this general approval issued by the Department. [N.J.A.C. 7:26A- 3.13(a)5]

18 The Department may revoke this general approval upon a determination that the holder of the general approval has transferred a general approval to a new owner or operator pursuant to N.J.A.C. 7:26A-3.15 without the prior approval of the Department. [N.J.A.C. 7:26A- 3.13(a)6]

19 The Department may revoke this general approval upon a determination that the holder of the general approval has failed to obtain any required permit or approval from the Department or other State or Federal agency. [N.J.A.C. 7:26A- 3.13(a)7]

20 The Department may revoke this general approval upon a determination that the holder of the general approval has committed any of the acts which are criteria for denial of a general approval set forth in N.J.A.C. 7:26A-3.12. [N.J.A.C. 7:26A- 3.13(a)8]

21 This general approval shall not be transferred to a new owner or operator without the Department's prior approval. [N.J.A.C. 7:26A- 3.15(a)]

PI 1113621

22 A written request for permission to allow a transfer of this general approval must be received by the Department at least 60 days in advance of the proposed transfer of ownership or operational control of the recycling center. The request for approval shall include the following: the name, address and social security number of all prospective new owners or operators; a written certification by the proposed transferee that the terms and conditions contained in the general approval will be met by the proposed transferee; and a written agreement between the current owner or operator of the recycling center and the proposed new owner or operator containing a specific future date for transfer of ownership or operational control. [N.J.A.C. 7:26A- 3.15(a)1]

23 A new owner or operator may commence operations at the recycling center only after the existing approval has been revoked and a new approval is issued to the new owner or operator pursuant to N.J.A.C. 7:26A-3.5. [N.J.A.C. 7:26A- 3.15(a)2]

24 The holder of this general approval remains liable for ensuring compliance with all conditions of the approval unless and until the existing approval is revoked and a new approval is issued to the new owner or operator pursuant to N.J.A.C. 7:26A-3.5. [N.J.A.C. 7:26A- 3.15(a)3]

25 Compliance with the transfer requirements set forth at N.J.A.C. 7:26A-3.15 shall not relieve the holder of this general approval from the separate responsibility of providing notice of such transfer pursuant to the requirements of any other statutory or regulatory provision. [N.J.A.C. 7:26A- 3.15(a)4]

26 The transfer of a controlling interest in the stock or assets of the recycling center that is the subject of this general approval shall constitute a transfer of this general approval. [N.J.A.C. 7:26A- 3.15(b)]

27 The holder of this general approval shall maintain a daily record of the amounts of each recyclable material by type and municipality of origin which are received, stored, processed or transferred each day, expressed in tons, cubic yards, cubic feet or gallons. Those operators specifying this information in cubic yards shall also indicate the conversion ratio of the materials from cubic yards to tons and vice versa. [N.J.A.C. 7:26A- 3.17(a)1]

28 The holder of this general approval shall maintain a daily record of the name, address and telephone number of the end-markets for all recyclable materials transported from the recycling center, including the amounts, in tons, cubic yards, cubic feet or gallons, transported to each end-market. Those persons specifying this information in cubic yards shall also indicate the conversion ratio of the materials from cubic yards to tons and vice versa. [N.J.A.C. 7:26A- 3.17(a)2]

29 The holder of this general approval shall maintain a daily record of the amount of residue generated, expressed in tons, cubic yards, cubic feet or gallons. Those operators specifying this information in cubic yards or tons shall also indicate the conversion ratio from cubic yards to tons and vice versa. For those residues considered solid waste, the daily record shall include name and address of the receiving authorized solid waste facility, the name and New Jersey Department of Environmental Protection solid waste registration number of the solid waste collector/hauler used. Residues that can be further recycled shall be recorded separately with the volumes/weights as noted above. [N.J.A.C. 7:26A- 3.17(a)3]

30 The holder of this general approval shall retain all Recyclable Material Receipt Forms required pursuant to N.J.A.C. 7:26A-3.2(a)16iii for three calendar years following the calendar year for which an annual report is required pursuant to N.J.A.C. 7:26A-3.17(c). [N.J.A.C. 7:26A- 3.17(b)]

PI 1113621

31 The holder of this general approval shall submit an annual report containing monthly summary statements of the information required pursuant to N.J.A.C. 7:26A-3.17(a) to the New Jersey Department of Environmental Protection, Division of Sustainable Waste Management, Bureau of Recycling & Hazardous Waste Management, on or before March 1 of each year, for the previous calendar year. The summaries shall include the following: monthly totals of the amount of recyclable material received from each customer by municipality of origin; monthly totals of the amount of recycled products and by-products transferred to each end-market; and the amount of residue disposed of during each month. The Annual Report shall be submitted electronically through the Department's Online Business Portal at nj.gov/dep/online, on forms and in the format specified by the Department. [N.J.A.C. 7:26A- 3.17(c)]

32 All information submitted to the Department pursuant N.J.A.C. 7:26A shall be handled in accordance with the requirements of the Public Records law, N.J.S.A. 47:1-1 et seq. The Department will hold confidential all end-market information, as well as information pertaining to the municipality of origin of recyclable material, submitted pursuant to N.J.A.C. 7:26A-3.2, 3.7, and 3.17 through 3.20 for a period of two years from the date on which the information is submitted to the Department, where specified as confidential by the applicant and where there are no health, safety or environmental concerns which require the release of the information, as determined by the Department. [N.J.A.C. 7:26A- 3.17(f)]

33 The holder of this general approval shall provide a recycling tonnage report by March 1 of each year to all municipalities from which recyclable material is received in the previous calendar year. The report shall detail the amount of each source separated recyclable material, expressed in tons or cubic yards, brought to the recycling center, as well as the date on which the recyclable materials were delivered to the recycling center. Those persons specifying this information in cubic yards shall also indicate the conversion ratio of the materials from cubic yards to tons and vice versa. [N.J.A.C. 7:26A- 4.4(a)]

34 The recycling center shall not commence operations unless and until it is included in the applicable district solid waste management plan. [N.J.A.C. 7:26A- 4.2]

35 The construction of the recycling center that is the subject of this general approval shall be in conformance with the New Jersey Uniform Construction Code, N.J.S.A. 52:27D-119 et seq., and the rules promulgated pursuant thereto. [N.J.A.C. 7:26A- 4.1(b)]

36 The New Jersey Department of Environmental Protection or an authorized representative acting pursuant to the County Environmental Health Act, N.J.S.A. 26:3A2-1 et seq. shall have the right to enter and inspect any building or other portion of the recycling center at any time in order to determine compliance with the provisions of all applicable laws or rules and regulations adopted pursuant thereto. This right to inspect includes but is not limited to sampling any materials on site; photographing any portion of the recycling center; investigating an actual or suspected source of pollution of the environment; and ascertaining compliance or non-compliance with the statutes, rules or regulations of the Department, including conditions of the recycling center approval issued by the Department. [N.J.A.C. 7:26A- 1.7(a)]

37 The right of entry specified at N.J.A.C. 7:26A-1.7(a) shall be limited to normal operating hours for the purpose of reviewing and copying all applicable records, which shall be made available to the Department during an inspection and submitted to the Department upon request. [N.J.A.C. 7:26A- 1.7(b)]

38 The facility shall comply with the general operating requirements for all Recycling Centers as provided at N.J.A.C. 7:26A-4.1. [N.J.A.C. 7:26A- 4]

PI 1113621

39 Upon notification from the Department that a State of Emergency, which may impact the facility's operations, has been declared by the Governor pursuant to the New Jersey Disaster Control Act at N.J.S.A. App. A:9-30 et seq., the holder of this general approval shall provide to the Division of Sustainable Waste Management a daily report on the operational status of the facility and the quantity of recyclable materials received during the previous operating day or any other relevant information requested pursuant to N.J.S.A. App. A:9-36. The status report shall be submitted electronically, or as otherwise directed by the Department, to solidwasteemergencies@dep.nj.gov on forms, or in the format, provided by the Department and in compliance with the time frames established by the Department after the State of Emergency declaration. The status reports shall be submitted daily until the holder of this general approval is informed by the Department that the reports are no longer required for that State of Emergency. [N.J.A.C. 7:26A- 3.5(e)]

40 In case of conflict, the provisions of N.J.A.C. 7:26A-1 et seq. shall have precedence over the conditions of this Approval, and the conditions of this Approval shall have precedence over General Approval Application and Associated Documents. [N.J.A.C. 7:26A- 3.5(e)]

41 Prior to the receipt of Class B, Class C or Class D recyclable materials and commencement of operations at the recycling center, the applicant must receive all other applicable local, State, or Federal permits or approvals. [N.J.A.C. 7:26A- 3.4(b)]

RCUG 2127299 - Warehouse

42 The facility shall comply with the operating requirements for Class D Recycling Centers as provided at N.J.A.C. 7:26A-4.6. [N.J.A.C. 7:26A- 4.6]

43 The following source separated Class D recyclable materials, which have been separated at the point of generation from other waste materials or separated at a permitted solid waste facility authorized to separate recyclable materials, may be received, stored, processed, or transferred at this recycling center: Consumer electronics and components thereof as defined at N.J.A.C. 7:26A-1.3. The following source separated materials which have been separated at the point of generation from other waste materials or separated at a permitted solid waste facility authorized to separate recyclable materials may be reeived, stored, or transferred at this recycling center: Batteries, light bulbs, and lamps. [N.J.A.C. 7:26A- 3.5(e)]

44 Upon receipt, each incoming shipment shall be visually inspected for physical contaminants. The maximum amount of physical contaminants, as defined in N.J.A.C. 7:26A-1.3, allowed in each incoming load of recyclable material shall be limited to one percent (1%) by volume. By-product materials that adhere to the authorized incoming recyclable material are not considered physical contaminants. However, such by-product materials shall be segregated during processing, stored, and managed in accordance with the requirements for the storage of by-products. [N.J.A.C. 7:26A- 3.5(e)]

45 The holder of this general approval shall operate the recycling center and construct or install associated appurtenances thereto, in accordance with the provisions of N.J.A.C. 7:26A-1 et seq., the conditions of this general approval, and the general approval application documents which are incorporated herein. [N.J.A.C. 7:26A- 3.5(e)]

46 One complete set of the general approval application documents, this general approval, and all records, reports and plans as may be required pursuant to this approval shall be kept on file at the recycling center and shall be available for inspection by authorized representatives of the Department or delegated agents upon presentation of credentials. [N.J.A.C. 7:26A- 3.5(e)]

RCUG 2127299 - Warehouse

47 Hours of operation for receiving or transferring the source separated recyclable material shall be limited to 8:00 a.m. to 4:00 p.m. Monday through Friday. Hours of operation for processing the source separated recyclable material shall be limited to 8:00 a.m. to 4:00 p.m. Monday through Friday and 8:00 a.m. to 12:00 p.m. Saturday. [N.J.A.C. 7:26A- 3.5(e)]

48 Material deliveries to the recycling center shall be scheduled in such a manner as to minimize truck queuing on the recycling center property. Under no circumstances shall delivery trucks be allowed to back up or queue onto public roads. [N.J.A.C. 7:26A- 3.5(e)]

49 The recycling center may receive up to 250 tons per day of recyclable materials. [N.J.A.C. 7:26A- 3.5(e)]

50 Unprocessed materials shall not remain onsite, in its unprocessed form, for more than one (1) year. [N.J.A.C. 7:26A- 3.9(b)]

51 All processed material shall be stored separately from residues. Residues that are solid waste shall be shipped to an authorized solid waste facility using a licensed solid waste transporter. The holder of this general approval shall certify in writing to the Department that residues considered solid waste have been disposed of in accordance with the solid waste management rules at N.J.A.C. 7:26. The certification shall be submitted annually as part of the annual report. Residues that can be further processed and recycled shall be shipped to a recycling facility authorized to accept such material. [N.J.A.C. 7:26A- 3.5(e)]

52 Horizontal and vertical control points for all operational areas shall be established and maintained. Permanent horizontal limitation markers with bin blocks, jersey barriers, or the equivalent as approved by the Department shall be set at the corners of the operational areas as depicted on the approved Site Plan. Vertical limitation markers with metal pipes, metal rods, or the equivalent as approved by the Department shall be set at locations in close proximity of the stockpile areas and shall clearly establish elevation heights, in accordance with the approved Site Plan, above the existing grade for all stockpile areas. [N.J.A.C. 7:26A- 3.5(e)]

53 Ingress and egress of the facility shall be restricted to Belmont Drive and Clark Street only. [N.J.A.C. 7:26A- 3.5(e)]

54 Firefighting and emergency procedures shall be posted, and shall include the telephone numbers of local fire, police, amublance, and hospital facilities. If a fire occurs onsite, the facility shall immediately notify the local fire official and within twenty-four (24) hours report the incident to the N.J.D.E.P. Environmental Action Hotline at 1-877-927-6337. [N.J.A.C. 7:26A- 3.5(e)]

55 Any suspected or prohibited hazardous waste, as defined at at N.J.A.C. 7:26G-5 and that is not also regulated as a universal waste, found in a load accepted at the recycling center shall not be returned to the generator. Such materials shall be segregated and stored in a secure manner and shall be immediately reported to the N.J.D.E.P. Environmental Action Hotline at 1-877-927-6337. The owner/operator of the recycling center shall secure the name of the collector/hauler suspected of delivering such waste to the facility and related information surrounding the incident, if available, and shall make this information known to the Department's enforcement personnel. [N.J.A.C. 7:26A- 3.5(e)]

56 Pursuant to N.J.A.C. 7:26A-4.6(e), containers (including pallets) used to store or process universal waste at processing facilities shall be labeled or marked clearly with the words: Class D Recyclable Material. If applicable the words: Universal Waste shall be included and the type of universal waste (for example: Universal Waste - Consumer Electronics). [N.J.A.C. 7:26A- 4.6(e)]

57 The preparedness and prevention plan and the contingency plan contained in the approved documents must be maintained onsite and updated as necessary. [N.J.A.C. 7:26A- 4.6(c)]

RCUG 2127299 - Warehouse

58 Upon detection of a release of contaminants to the environment, the facility shall perform the following cleanup steps: stop the release, contain the released contaminants, clean up and manage properly the released contaminants and other materials, and if necessary, repair or replace any leaking containment systems prior to returning them to service. [N.J.A.C. 7:26A- 4.6(f)]

59 Upon closure of the facility, containers holding Class D recyclable materials or residues shall be removed from the site. The owner or operator shall remove or decontaminate recyclable materials residues, contaminated containment system components, contaminated soils, and structures and equipment contaminated with Class D recyclable materials, and manage them as hazardous waste under 40 CFR Part 261, as incorporated by reference in N.J.A.C. 7:26G-5.

Within 30 days of termination of Class D operations of the facility, the facility owner shall notify the Department of the termination in writing. Within 30 days of completion of of the closure requirements listed above and/or in an approved closure plan, the facility owner shall certify to the Department in writing that the facility has been properly closed. [N.J.A.C. 7:26A- 4.6(g)]

60 The following equipment or equivalent are authorized for site operations and shall be maintained in operable conditions:

BE Equipment 9152 Baler
Max Pak MP6020 Baler

AMS-150HD-SSD Ameri-Shred-Hard Drive Shredder + SSD drives (onsite and offsite)
AMS-150HD Ameri-Shred-Hard Drive Shredder (Standard) - onsite and offsite
HDS-35SL Hard drive DiskMantler

Prior to the replacement of any of the equipment authorized above, and/or addition of new equipment, the holder of the general approval is required to submit an Air Applicability Determination Form to the Bureau of Stationary Sources and if applicable, obtain an Air Pollution Control Permit for the replacement and/or addition of new equipment. The form and additional information may be found on the Department's website at https://dep.nj.gov/boss/air-permitting-guidance/.

Furthermore, the replacement and/or addition of new equipment is subject to Departmental review to determine compliance with the Environmental Justice Rules found at N.J.A.C. 7:1C and will be processed as a modification of general approval. [N.J.A.C. 7:26A- 3.5(e)]

61 The recycling center is authorized to store unprocessed and processed materials in the designated storage areas, as depicted on the approved Warehouse Layout Plan. The areas specifically designated for storage of unprocessed and processed materials and the corresponding maximum authorized capacities and maximum pile heights are listed as follows:

TV/Cart (Unprocessed): 1,920 cubic yards (cy), 8 feet (ft)
TV/Cart (Unprocessed): 4,053 cy, 8 ft
Outbound (Processed): 6,080 cy, 12 ft
Outbound (Processed): 6,080 cy, 12 ft
Consolidation (Unprocessed): 3,360 cy 12 ft
Sort (Unprocessed): 7,040 cy, 12 ft
Sort (Unprocessed): 2,888 cy, 12 ft
Computer Staging Area (Unprocessed): 1,280 cy, 12 ft
Dismantle (Unprocessed): 3,200 cy, 12 ft
Battery (Unprocessed): 453 cy, 5 ft
DLP (Unprocessed): 725 cy, 8 ft. [N.J.A.C. 7:26A- 3.5(e)]

RCUG 2127299 - Warehouse

62 In the event that the unprocessed material storage areas have reached the maximum authorized capacities, the recycling center shall immediately cease receiving additional unprocessed material until the amount of unprocessed material stored onsite falls below the maximum authorized unprocessed material storage capacity.

In the event that the processed material storage areas have reached the maximum authorized capacities, the recycling center shall immediately cease processing activities until the amount of processed material stored onsite falls below the maximum authorized processed material storage capacity. [N.J.A.C. 7:26A- 3.5(e)]

63 All mobile shredding operations shall be conducted in accordance with the requirements detailed in this Approval. [N.J.A.C. 7:26A- 3]

64 All shredded material generated by offsite shredding shall be transported as a universal waste on the same operating day to the Newtech Recycling facility located at 245 Belmont Drive, Franklin Township, Somerset County for collection, consolidation, and shipment to another authorized recycling facility or end market. [N.J.A.C. 7:26A- 3]

65 All universal waste generated from mobile shredding operations shall count towards the facility's authorized capacity. [N.J.A.C. 7:26A- 3]

66 Any spilled material shall be cleaned immediately and secured in an empty container. [N.J.A.C. 7:26A- 3]

67 Operation of the mobile shredding equipment shall comply with the applicable statutes and regulations, including but not limited to the New Jersey Air Pollution Control Act, N.J.S.A. 26:2C-1 et seq. and 26:2D-1 et seq., and the New Jersey Noise Control Act of 1971, N.J.S.A. 13:G-1 et seq. [N.J.A.C. 7:26A- 3]

68 Prior to shredding, any batteries shall be removed from the material being shredded and managed separately. [N.J.A.C. 7:26A- 3]

69 Should the facility conducting the shredding operation act as the transporter of the shredded material, the facility must comply with the transporter requirements of N.J.A.C. 7:26A-7.6 and 8.1. [N.J.A.C. 7:26A- 3]

70 Shredded material must be secured in a closed container that is in good condition and that is properly labeled "Universal Waste - Consumer Electronics" in accordance with N.J.A.C. 7:26A-7.7. [N.J.A.C. 7:26A- 3]

71 Shredder material shall be discharged directly into a container with a lid. Once full, the container must be securely closed and replaced with an empty container with a lid. [N.J.A.C. 7:26A- 3]

72 The facility must maintain a minimum navigable aisle space of five (5) feet between the rows of containers as described in the approved Warehouse Layout Plan. [N.J.A.C. 7:26A- 4.6]

73 The facility shall maintain an operating log for the shredder to record the following information:

Client's name, date and location of shredding, amount of shredded material generated at each location and on each date, and the name of operator (shredder). [N.J.A.C. 7:26A- 3]

74 The operator shall remain with the shredder while the shredder is in operation. [N.J.A.C. 7:26A- 3]

75 The shredder shall be operated by a qualified and trained operator. The facility shall maintain documentation of training received by the shredder operator and annual review of that training. [N.J.A.C. 7:26A- 3]

76 The shredder shall be subject to maintenance inspections at least as frequently as recommended by the manufacturer. A log shall be maintained to document the inspections and shall include, at a minimum, the following information: date; name of inspector; problems and corrections. [N.J.A.C. 7:26A- 3]
